## OUR HARD WORK SHOWS!

2006 year began with a BANG The Community Awareness Program! We have completed our first quarter of the year and have had 40 successful events!

The Community Awareness Team (Vicki & Joni) want to thank you for your flexibility, reliability and hard work.

We so appreciate each and every one of you!

Check out our statistics!

# FLORIDA FLAME BEHIND FREEDOM ELECTION JANUARY 13, 2006

The Community Awareness Program's partnership with the Florida Flame was a fun way to promote voter awareness in our community!

The partnership also allowed the Lee County Elections Office a great opportunity to recognize our wonderful Poll Workers with Poll Worker Appreciation Night!

Supervisor of Elections, Sharon L. Harrington presents Andre Barrett with his plaque.

The Flame election was conducted by CAP staff and our awesome Patriots. Fans of all ages voted on the touchscreen voting machines for their favorite Flame player.

Andre Barrett was voted "Favorite Player 2006" by Flame fans.

A good time was had by all!

## 2006 EVERBLADES FAN'S CHOICE ELECTION FEBRUARY 2, 2006

Our Future Voters!

What an exciting experience it was to see the Everblades Fans in action! We conducted an election where the loyal and fiercely devoted Florida Everblades fans cast their votes to select the "2006 EVERBLADES FAN'S CHOICE" Player.

This was the first time that CAP had 2 precincts set up for voting and fans were lined up at both locations!

Supervisor of Elections, Sharon L. Harrington presents Daniel Sisca with his plaque.

## 2006 CHICO'S EDISON FESTIVAL OF LIGHT JUNIOR PEOPLE'S CHOICE ELECTION FEBRUARY 12, 2006

This event has been deemed the COLDEST of 2006!

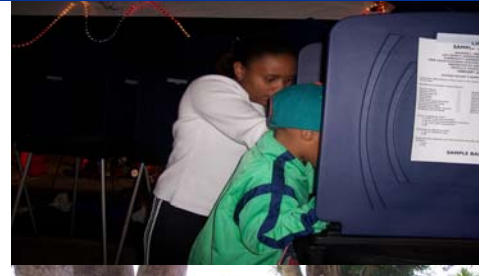

What a great group of Patriots we have! There we were next to the Caloosahatchee River with the wind blowing, the temperature dropping by the minute yet everyone had a smile! We shivered and laughed while we worked!

The Junior Parade participants put their heart and soul into this event in spite of the weather.

The Bayshore Cloggers were voted "People's Choice"!

# 2006 CHICO'S EDISON FESTIVAL OF LIGHT GRAND PARADE PEOPLE'S CHOICE ELECTION FEBRUARY 18, 2006

2 tents, 180 lbs. of weights, 10 touchscreen voting machines, and all the necessary supplies combined with our AWESOME Patriots produced a successful and fun event!

Congratulations again to the BAY-SHORE CLOGGERS!!!

## UPCOMING COMMUNITY AWARENESS PROGRAM EVENTS

The Get Out The Vote 2006 Campaign is a program prepared by the Get Out the Vote Foundation of the Florida State Association of Supervisors of Elections.

The Community Awareness Program will participate again this year. We will do it Lee County style!

We are once again partnering with Miracle Baseball to conduct the "All-Time Greatest Miracle Team" election. This will be a series of 4 election days in May and June.

**MAY:** Register at your Local Merchants Month

**JUNE:** Register at Work Month

**JULY:** Red, White & Vote Month

**AUGUST:** Read, Write & Vote Month

June will find CAP on the beach conducting the Fort Myers Beach Chamber of Commerce's "Taste of the Beach" election.

We will be contacting you in the near future to work the upcoming events.

This Program would not be the success it is without our AWESOME Patriots!
