

BROCK PETERSON VOTED MIGHTIEST MIRACLE PLAYER 2005!

On Saturday, September 3, 2005, 253 Miracle Baseball Fans cast their vote for their "Mightiest Miracle Player" at the Lee County Sports Complex in Fort Myers.

Lee County Elections Office Community Awareness Program staff set up 8 ES & S iVotronic touchscreen voting machines beneath 2 red, white & blue tents. Voting began at 6:00pm when the gates opened. Miracle Fans lined up in front of the tents holding their sample ballots ready to vote. They had smiling faces and were laughing as they talked about who they would vote for.

After only an hour, the sky opened up with a torrential downpour that forced election's officials to stop the voting. Lightning lit up the sky and thunder boomed as the votes were tallied.

When the rain slowed down to a drizzle, Lee County Supervisor of Elections, Sharon L. Harrington and Community Awareness Program Director, Vicki Collins presented Brock Peterson with a plaque naming him the "Mightiest Miracle Player 2005" in front of his teammates and remaining fans.
