**CITY OF FORT MYERS PRIMARY ELECTION, WARD 2 & WARD 6 ONLY!
TUESDAY, FEBRUARY 6TH**

Fort Myers, FL The City of Fort Myers will conduct their primary election for council members in Ward 2 and Ward 6 ONLY on Tuesday, February 6, 2007.

The addition of a 6th ward required most of the old ward lines to be changed. The Lee County Supervisor of Elections, Sharon L. Harrington, sent out new voter information cards to all voters registered within the City of Fort Myers limits, with the current ward designations. Candidates for the Fort Myers City Council are elected by only those residing in their ward, it is imperative that all voters are aware of their correct ward.

Only Wards 2 and 6 will be voting in the primary. The top two vote getters in each of these contests will go to the general election ballot in April along with the two candidates running in Ward 4. Wards 1, 3 and 5 will NOT be voting in the 2007 elections.

To verify the current ward, voters can check for their ward number on their new voter registration information cards in the box marked "City". Old voter information cards may not have the correct information. This information can be accessed on our website at www.leeelections.com. Click on "Current Election/Sample Ballot" at the center of the page and follow the directions. For further assistance please call LEE-VOTE (533-8683).

The Elections Office wants to encourage those in Wards 2 and 6 to know the location of their precincts before election day.
