FOR IMMEDIATE RELEASE:

**Lee County Supervisor of Elections Office
Mails Notices of Expired Vote-by-Mail Requests to Voters**

Lee County, FL (August 28, 2023) The Lee County Supervisor of Elections Office will begin mailing approximately 150,000 Vote-by-Mail Request Expired Notices on Thursday, August 31, to registered voters who had previously requested a Vote-by-Mail Ballot for the 2022 General Election but have not yet submitted a request for the 2024 election cycle.

“This notice will serve as a reminder for voters to update their request with our office,” says Supervisor of Elections Tommy Doyle. “I encourage voters to request their Vote-by-Mail Ballot even if they plan to vote in person; life is unpredictable, as seen with last year’s hurricane. Your Vote-by-Mail Ballot acts as an insurance policy in the event of an emergency.”

Lee County will hold the following three elections in 2024: the Presidential Preference Primary Election on March 19, the Primary Election on August 20, and the General Election on November 5.

Voters who receive a Vote-by-Mail Request Expired Notice may update their request status [online](#), by phone (239) 533-8683, by [mail, e-mail, fax](#), in person at any one of our [branch offices locations](#), or by scanning the QR code on the postcard. New requests are valid through December 2024.

Voting by mail is a safe, secure, and convenient voting method. Voters are encouraged to act now and submit their Vote-by-Mail requests before the 2024 election cycle to ensure their voices are heard!

The mission of the Lee County Supervisor of Elections is to deliver superior election services to the voters of Lee County.
